

Replacement Roof Programme

highview

Client:

Purdy
for London Borough of
Barking & Dagenham

Location:

Barking & Dagenham

Contract Duration:

2018 - ongoing

Sector:

Residential

Summary:

Multiple Street Property
Roof Replacements

Working for long-standing client Purdy, Highview have been delivering pitched roof replacements to multiple street properties throughout the London Borough of Barking & Dagenham since 2018.

The bungalows shown are a 2020 example of a batch of properties which required full roof and roofline replacement, inclusive of a party wall fire break specific to the council's specification.

Successful ongoing delivery of this contract has required us to ensure a comprehensive Resident Liaison service with property occupants, in order to smoothly organise arrangements for access and maintain positive communication within the various communities.
