highview

Client:
Hillingdon Borough
Council

Location:
Margate

Contract value:
£250k

Contract Duration:
12 Weeks

Sector:
Residential

Summary: Principle
Contractor for External
Enveloping Works

Works at Queens Lodge in Margate consisted of the supply and installation of a Bailey Roofing System to the roof and Window Replacement along with brick work repairs and External Decorations.

The Scheme encountered some challenges with structural specifically around the challenging weather conditions on the seafront location and the design around the new window sets due to previous poor installation .

Our team ensured that all key stakeholders were kept informed of all updates to the design changes to reassure them that their precious issues would not arise again, this communications was maintained throughout the programme duration to ensure we maintained the highest level of customer satisfaction possible
